ADDRESSING BY HAND
ADDRESSING BY TYPEWRITER

Imitation Typewritten Letters

WE reproduce imitation typewritten letters that embody all the points of the original letters—at a fraction of their cost. The body of the letter is printed by a “ribbon” process, giving the closest possible imitation of original work. Either a regular or a copied (letter press) effect may be reproduced.

The name, address and date may be filled in to match perfectly, either by us or in your own office, with ribbons furnished by us, guaranteed to match. Signatures may be reproduced in exact imitation of an original and printed on the letter. Or signatures or initials may be signed by hand—making a complete letter—that in nearly every instance cannot be detected from original work.

Samples in various colors and prices for any quantity desired sent on application.
