

CENSURED THE MAYOR

Political Club Angered by Interference With Sparring.

The members of the First Ward Republican Club of Camden do not feel as kindly toward Mayor Westcott as they did before he sent Lieutenant Pettit and a squad of policemen to stop a boxing bout at their club rooms on Monday evening. The boxing was to be part of their Washington's Birthday celebration. The Mayor heard it was to be a battle for blood and he squelched it. The club members expressed their indignation by passing resolutions censuring the Mayor.

The Mayor lives in the First ward. The members of the club say he has weakened himself politically by interfering with their entertainment. On the other hand, the Mayor says he acted in accordance with public sentiment, which is opposed to prize fights or sparring matches.
